Hebrew Order of David
Shimshon Lodge

Dear Dr. David Adler

Thank you very much for including us in the amazing Yellow Candle project in honor of Yom HaShoah.

Thanks to your gift of the sets, which included a memorial candle and other information, we had a practical way to bring home the observance of Yom HaShoah for the children at our Sunday School.

We look forward to working with the Hebrew Order of David in the coming years for this and similar projects.

Wishing you the best of luck in your continued noble efforts on behalf of the Jewish community.

Sincerely,
