Dr. David Adler, President
Hebrew Order of David, Lodge Shimshon

Dear David,

Thank you for your lodge's very generous donation of the Yom Hashoah candles to use for our religious school's Holocaust Memorial Day observation. Following a very meaningful ceremony with our students, we were able to give each student a candle to bring home, along with an explanation of the importance of the day and how/when to use the candle. This gave them the opportunity to share what they learned with their families and observe with them at home.

In addition, we greatly appreciate the time you took to share your personal story of your father z"l. We all were moved by the manifest that showed your father's signature upon arrival at Ellis Island. Your presentation added an important element to our lessons.

We hope to continue our relationship with the Hebrew Order of David.

Shalom,

Molly
